additional testing is requested by you. If the fee is beyond your means, options to streamline the assessment can and should be discussed, including doing fewer tests, abbreviated or no report, or other arrangements. Payment is generally split, with approximately half of the anticipated fee due at the onset of testing, and the remaining balance due at feedback. Please feel free to discuss other payment options.

Many insurance policies provide partial to total coverage for psychological assessment services. Your insurance (personal, group, private, governmental, partial payment or full payment) is a contract between you and your insurance company; it is not an agreement between the insurer and Lauri L. Korinek, Ph.D., LLC. This means that your account with Lauri L. Korinek, Ph.D., LLC is your responsibility regardless of insurance coverage. We will gladly provide a hard copy billing statement and any other information you may need to file your insurance claim. Since you will have already paid for the services received, the insurance reimbursement should be made directly to you.

Dr. Korinek kindly requests that any changes or cancellations be made at least 24 hours in advance. Any missed appointment with no notice of cancellation will be charged a \$150 fee.

I have read the preceding information, it has also been provided verbally, and I understand the billing policies of Lauri L. Korinek, Ph.D., LLC.
